MEMBERSHIP

We have had a good response from our last membership mailing. If you do not renew by April we will drop you from the mailing list.

COME ON, GET YOUR BUDDIES TO JOIN UP!!! HMTMA NEEDS YOU!!!

Being a member of HMTMA does make a difference in what happens on the ground. Without your past input you can be assured that we would not have the trail systems that we enjoy today. Please fill out the form and return to HMTMA.

SPRING BEGINS MARCH 20

March is a busy month

Day light saving time begins March 10

Make sure to celebrate with the Irish and St. Patrick on March 17

Easter Sunday is the 31st of March

Old legend says that when Easter comes early, so does spring. Also, if March comes in like a lion it will go out like a lamb, or, if March comes in like a lamb it will go out like a lion. Keep watch on the first of March!

FOREST PLAN REVISION

Everybody has been putting in additional hours to get tis accomplished on schedule. Individuals are given pre-work before each meeting and expected to review the topics. This is designed to speed up the process, but many feel things are going too fast to cover the topic thoroughly.

RIDE SCHEDULE

We want to work on a ride schedule at this month meeting. How about a spring ride, somewhere down south?

At the last club meeting the future of Idaho Trail Machine Association was discussed. This year will be the 50th year for ITMA. The 2013 State Ride will be the event to celebrate this legacy. We are looking forward to some spring ITMA meetings to make this a memorable event.

SUMMER TRAIL OUTLOOK

As soon as we can get on the ground and evaluate the fire damage, we should have a better picture of what needs to be done. There may be additional help available if needed.
